# CAPABILITIES STATEMENT

## CORPORATE OVERVIEW

Established in 2003, F-Concepts, Inc. (F-Concepts) is an SBA certified 8(a), Economically Disadvantaged Women-Owned Small Business (EDWOSB) dedicated to serving our customers. We believe in strong management, operational transparency, and the establishment of open lines of communication. The foundation of F-Concepts' service is based on our fundamental belief that the customer always comes first. Our ISO 9001:2015 certified and CMMI-SVC Maturity Level 3 appraised Quality Management System ensures we deliver greater consistency, reliability, and overall better service on all our projects. A standard of service excellence is at the core of all we do, delivering professional services with outcome driven approaches. At a constant, our dynamic business process turns visions into reality, concepts into formulas. We employ best systems and practices to improve quality of operations, attaining superior organizational agility for the digital-age.

**Our Quality Policy:**  
*F-Concepts is committed to delivering professional services that meet or exceed customer expectations. Our aim is to aid in turning visions into reality for our customers, striving to continuously improve the quality of our business operations in order to provide better and more reliable services to our customers.*
